## Things may be a bit different right now, but Graduation 2021 is going to be Epic!!

You've made your first step in the right direction and acquired your graduation information packet. **In this packet is everything that you need to complete your order for your graduation with the Class of 2021 in June.**

Complete your order within the next 10 days to have your products delivered to school in the early fall.

I know, senior year is expensive. With senior pictures, senior trip, yearbook, college applications, all that is going on in the world today and you are wondering how you will be able to do it all. I ask for only a **\$75 deposit to place an order of any amount.** Choose exactly what you want - announcements, name cards, and thank you notes. Add a Class of 2021 hoodie, a Sherpa ¼ zip, an extra graduation tassel, and **only pay \$75 when placing your order.** You will be invoiced for the balance on your order. Payment in full is required for orders less than \$75.00. Make payments on your order anytime at [www.nygrad.com](http://www.nygrad.com).

I also understand the time commitment of busy working families of teens these days, which is why I have created **2 Easy To Order Packages.** For the simplest ordering experience, choose one of our packages. There is an orange flyer in your packet that explains our **Liberty Packages, these the 2 Pack Class of 2021 T-Shirts and a FREE PERFORMANCE HOODIE - a savings of \$54.00.**

**When you order, everything pictured on the Liberty Package Class Exclusives Flyer and all Class of 2021 Apparel will be individually packaged and delivered to school in the early fall.**

**All custom items will be delivered in the spring according to your school's protocol, but we hope to be able to personally deliver to your school, as we normally would.**

Don't hesitate to **email me at [larry.dewitt@jostens.com](mailto:larry.dewitt@jostens.com)** or call our office at **(315) 656-5152 with any questions** or use the contact us form on [www.nygrad.com](http://www.nygrad.com).

can order online at [www.nygrad.com](http://www.nygrad.com), submit your order to school with payment, or by mail for up to two weeks. Take a look at your order form and the **Liberty Package Order Form (orange,)** fill out the name and address section, you will see two packages that **include everything that any graduate would need including 2 Exclusive Class of 2021 T-Shirts.** You will notice that one includes announcements and the other does not. Choose which package meets your needs.

**Order online at [WWW.NYGRAD.COM](http://WWW.NYGRAD.COM)**

Ordering a package is the most cost effective way to get everything you need, “Mom’s top choices,” and everything you want, “the fun stuff,” including a Class of 2021 performance hoodie, Class sports bag, custom fully folding sunglasses and much more. We are including a Gratitude Ring this year as a 2021 exclusive. This is a \$20 Value! This ring helps you celebrate the relationship with a person you always want to remember – someone who helped you, inspired you, cheered you on or stood by you during these high school years – a best friend, Coach, Mom, Dad, teacher, sibling or grandparent. This ring is for them. Make sure to indicate the size you need on the orange liberty flyer.

If a package isn’t for you, each item can be ordered individually on the white and blue order form. Be sure to fill in the name and address section of the order form. The next section of your order form contains the individual items available for purchase. For more information on any item, pull out your catalog where you can view the products and see a brief description of each.

**Announcements** - the **Official School Announcement** offered is a custom announcement designed specifically for your school with a custom seal that you can’t get anywhere else. The announcement will have the time, date and place of graduation printed on the inside. Each announcement has a place for you to insert a name card. Name cards are sold separately. Each announcement will come with both an inner and outer envelope. It does not serve as an invitation to graduation. Official school announcements are the traditional way to share the news of your accomplishment with your family and friends. Keep in mind that official school announcements are printed in finite quantities based on the orders we get at school. Official school announcements **cannot be guaranteed** to any customers with orders submitted more than 2 weeks after the original order date for any reason. A similar design may be substituted. Email us with concerns.

**Do you need to order announcements?** No, you do not have to participate in this tradition, but most families choose to. Last year, most students ordered at least 25 announcements to send to family and friends. If you do decide to send announcements, make a list of who you would send them to. Ordering too many will be a waste. You will see bubbles for quantities of 25, 50, or 75 followed by 3 empty boxes. In the 3 boxes you can specify exactly how many announcements you would like. **If you send them out, watch the mail for well wishes for your future from your friends and family.**

**Name cards** - Do you need to order name cards? **Yes, if you order announcements.** The name card is meant to be placed inside of the announcement. Your name will be printed on the name card exactly the way you print it on the top of your order form.

You will notice that the rest of the order form includes our other items for purchase. On the apparel items, you will need to specify the size needed. The performance hoodie, Class Exclusives and all apparel will be individually packaged, and delivered to school, according your school’s protocol. Custom items will be delivered in the spring according to your school’s protocol, but we hope to be able to personally deliver to your school, like we normally would.

If an item you would like is not printed on the order form, you can write in the item, size and price from the enclosed price list on line 11 of your order form. If you have not yet purchased custom graduation jewelry, now is the time. **Go to [www.jostens.com](http://www.jostens.com) to order. We will mail you a plastic ring sizer, just let us know. We also left a few ring sizers at school for you.**

I look forward to helping you make graduation a memorable milestone. Don’t hesitate to reach out to me with any questions you may have.

Sincerely,

Larry DeWitt
